Hello, I’m Rainbowman!

I live on a rainbow.

Someone is in trouble! Let’s go!
Into the sky.

Past the clouds and sun.
No one here!

Past the moon and stars.
No one here!
Down to the land.

Past mountains and the sea.
No one here!

Over lakes, fields and forests.
No one here!
Rainbowman flies down to help.

Rainbowman picks up the airplane...
... and carries it away!

Rainbowman saves the day!

“Thank you, Rainbowman!”
